

Concerned about COVID-19?

We're taking steps to help keep you, our employees, and our community, safe by:

- enhancing cleaning efforts in stores
- asking employees who aren't feeling well to stay home, and
- working to ensure an adequate stock of most-needed items

Here's what you can do.

If you have COVID-19 symptoms (**fever, cough** and/or **difficulty breathing**) and have travelled outside of Canada, or have been in contact with someone with a probable or confirmed COVID-19 case, we ask you to call Public Health using your mobile phone and go home.

Do **NOT** go to any healthcare facility – Call the number below:

Public Health

1 877 644-4545

For your continued service and care, our Pharmacy team can arrange for free delivery of your prescription medication and help answer your questions via phone.

PHARMAPRIX
